CHAIRMAN'S MESSAGE

The idea of establishing Al-Darwaza Company for Logistics Services has been crystallized in order to provide the government services that the company can do in ministries and state institutions in a better and more efficient manner at a lower cost, which will reflect positively on the performance of government agencies and the development of its services in general.

The company focuses on the valuable opportunities that we believe are achieving our strategy and the objectives we seek through our work in the field of services.

Al-Darwaza Company for Logistics Services seeks to spearhead the growing public services sector in the region with a long-term view of the global market. With a capital of KD 2 million being invested in the short, medium and long term public services sector.

Al-Darwaza Company for Logistics Services has set a key objective in the geographical and regional expansion and to enter into tenders and large contracts. This is in its interest and works to promote development and economy. The company plans to execute contracts and tenders worth KD 15 million with many ministries, To carry out the work of cleaning, services, hospitality, correspondence and guarding facilities.

MESSAGE
